

REQUEST FOR STATEMENTS OF QUALIFICATIONS No. 26-030

Joint Job Classification and Evaluation Framework

Addendum 1

Issued: June 18, 2026

Closing Date & Time: on or before 3:00 PM Pacific Time on June 26, 2026

Questions & Answers

Question 1: Would the RFSQ permit submissions in the form of a joint venture or consortium with another organization, in order to combine and strengthen relevant experience and capabilities?

Answer 1: Yes, the RDN permits submissions in the form of a joint venture or consortium with another organization.

Question 2: Does the Regional District have a desired project timeline or a deadline they are aiming for? If so, please elaborate on what that is.

Answer 2: The deadline for development of a framework is July 23, 2027.

Question 3: Does the Regional District have a proposed budget range for the project. If so, can you please share what that range is.

Answer 3: The RDN is currently accepting statements of qualifications only, with proponents being evaluated based on the criteria noted in section D. The exact scope of work and corresponding fees will be discussed and negotiated with the highest ranked proponent. Recognizing this process allows for some flexibility and does not require full and detailed proposals for the work, the RDN is not sharing the details of the budget at this time.

Question 4: The RFSQ does not make mention of the vendor's proposal including a proposed project fee or rate card. Please confirm this was your intention.

Answer 4: The RDN is currently accepting statements of qualifications only, with proponents being evaluated based on the criteria noted in section D. The exact scope of work and corresponding fees will be discussed and negotiated with the highest ranked proponent.
