

Construction Notice – Lions Community Park

Infield improvement work is scheduled to begin on September 14, 2026, at Lions Community Park and is expected to take approximately one month to complete. The project involves improvements to the ballfield infield areas, including grading, surface enhancements and other related upgrades to improve playability, safety and long-term field performance.

For public safety, the ballfield and surrounding work area may be partially or fully closed during construction. Please follow all posted signage, stay clear of active work zones and use caution when visiting the park. We appreciate your patience and cooperation as these improvements are completed for the community.
