Important information about the Building Bylaw

- 1 The Building Bylaw is enacted for the purpose of regulating construction within the Regional District and to permit the Regional District to carry out limited inspections for the purposes of reducing violations of this bylaw and the Building Code, which may affect public health or safety. The purpose of this bylaw does not extend:
 - a. to the protection of owners or builders from economic loss;
 - b. to the assumption by the Regional District of any responsibility for ensuring compliance by any owner, builder, contractor, architect, engineer or any other person with the Building Code, this Bylaw or any other applicable enactment;
 - c. to provide to any person a warranty that any building or structure constructed within the Regional District complies with the Building Code, this Bylaw or any other applicable enactment;
 - d. to provide a warranty that any building or structure constructed within the Regional District is free from latent or any defects.
- No person shall rely upon any Permit issued under this Bylaw as evidence that any work has been carried out or completed in accordance with the Building Code, this Bylaw or any other enactment or that this Bylaw has been administered or enforced according to its terms.
