

HAZARDOUS MATERIALS DECLARATION

(To be used in support of a Building Permit Application)

This form is to be completed and submitted with an application for a Building Permit where the proposed works includes **alterations or renovations within an existing building or structure.**

The information provided here is intended to assist the Building Official in determining if the site will be safe to visit in order to complete an inspection.

If deemed necessary, the Building Official may require a Confirmation of Abatement Report or an Air Clearance Report. Air Clearance Reports may also be required at various stages of construction if further disturbance of hazardous materials occurs.

Project Address:		
Legal Description:		
*Was the existing building constructed prior to 1990?		
	Yes	No
*Has a Hazardous Material Survey (per WorkSafeBC Guideline 20.112) been completed for this project?		
	Yes	No

Owner/Agent Name (printed)

Owner/Agent Signature

Date (YYYY-MM-DD)

Personal information collected on this form is collected for the purposes of processing this building permit application and for administration and enforcement. The personal information is collected under the authority of the *Local Government Act*, the Regional District's Building Bylaw and pursuant to section 26 of the *Freedom of Information and Protection of Privacy Act*.
