Capital funding is cost-shared with the Province on a 60/40 basis with the NRHD's portion being 40%. Island Health is responsible for delivering health care services on Vancouver Island. Island Health pools both Provincial and NRHD funding, along with other sources such as foundations, to maintain, improve and build health care facilities.

The NRHD has adopted a 2020 budget of \$8.4 million resulting in a tax levy of approximately \$16.13 per \$100,000 of assessment. The 2020 budget includes \$1.4 million for capital equipment and minor projects, \$0.1 million for administration expense, \$3.1 million for debt servicing on major capital projects and a \$3.8 million contribution into reserves to save for future projects such as a new patient tower at Nanaimo Regional General Hospital. Current capital projects planned and underway include a new MRI, endoscopy equipment, a boiler plant upgrade and an Intensive Care Unit redevelopment at the hospital.
