WELCOME TO THE DOUMONT AREA MANAGED TRAIL NETWORK

Welcome to the Doumont area network. The trails in this area are managed and maintained by the Nanaimo Mountain Bike Club with help from volunteers, donations and community support. If you enjoy these trails for biking, running or hiking, we encourage you to donate to the NMBC so we can continue to make Doumont a premier trail destination. To support our work, please become a member or sponsor. For more information on how to join, volunteer, donate and stay up-to-date with the NMBC please visit our website www.nanaimomountainbikeclub.com or find us on Facebook.

The information on this map is intended only as an introduction to the trails in the area and trail difficulty ratings are for general guidance only. Trails may change over time and many factors can dramatically alter trail difficulty levels, close or re-route trails. Trails may become a level or two more difficult when wet. Consider the conditions before heading out and please report maintenance issues or concerns to the NMBC via our website or trailforks.
