By 8:00 a.m. on your collection day:

- **Roll your carts** to the street, as close to the roadway as possible without blocking traffic sidewalks, and bike lanes.
- **Face your carts** with the arrows on the top pointing towards the street and the lids completely closed.
 - *Update: Unlock the organics cart lid for set-out if your cart is more than 3/4 full, or it only contains a bit of lightweight yard waste.*
- **Space your carts** with at least 1 m (3 ft) of clearance between the carts and any obstacles (parked cars, fire hydrants, etc.) and 3 m (10 ft) of clearance above.
- **Remove your carts** once the collection truck has emptied the carts, and return your carts to a secure location on your property within the same day.

Get Involved RDN!

Expanded Organics Options!

The green-lidded organics carts can now be topped up with leaves, grass and light yard trimmings!
