**Partial Downgrade of Evacuation Order for the Wesley Ridge Wildfire**

**Effective August 11, 2025, at 11 a.m., the following are in effect:**

- The Evacuation Order for 257 properties in Little Qualicum River Village below 1726 Warn Way will be lifted. These properties are now on Evacuation Alert.
- The remaining 37 properties in Little Qualicum River Village above 1726 Warn Way remain on Evacuation Order.
- The 353 properties that were already on alert below 1726 Warn Way and near the Spider Lake area remain on Evacuation Alert.

**For further information on this update:**

- A map showing the updated Evacuation Order and Alert areas is on page 2
- A list of all addresses on Evacuation Order and Alert can be found in the included Order and Alert at the end of this notice
- The Evacuation Order and Alert can also be viewed online at [rdn.bc.ca/current-alerts](https://rdn.bc.ca/current-alerts)

Please know our priority is getting residents home as soon as possible. We are in constant communication with BC Wildfire Service and other partners to assess when properties can be taken off Evacuation Order. Updates to the Evacuation Order and Alert areas are made based on recommendations from the BC Wildfire Service about wildfire activity. In addition, hazards caused by the fire, lack of utility services and firefighting equipment that are still present in the area are also considered before updates are made.

We appreciate the understanding and cooperation of residents in the area who remain affected by the Evacuation Order. We ask that the public continue avoiding the areas under the Evacuation Alert as there continues to be active wildfire operations in the area.

**Notes for Re-Entry**

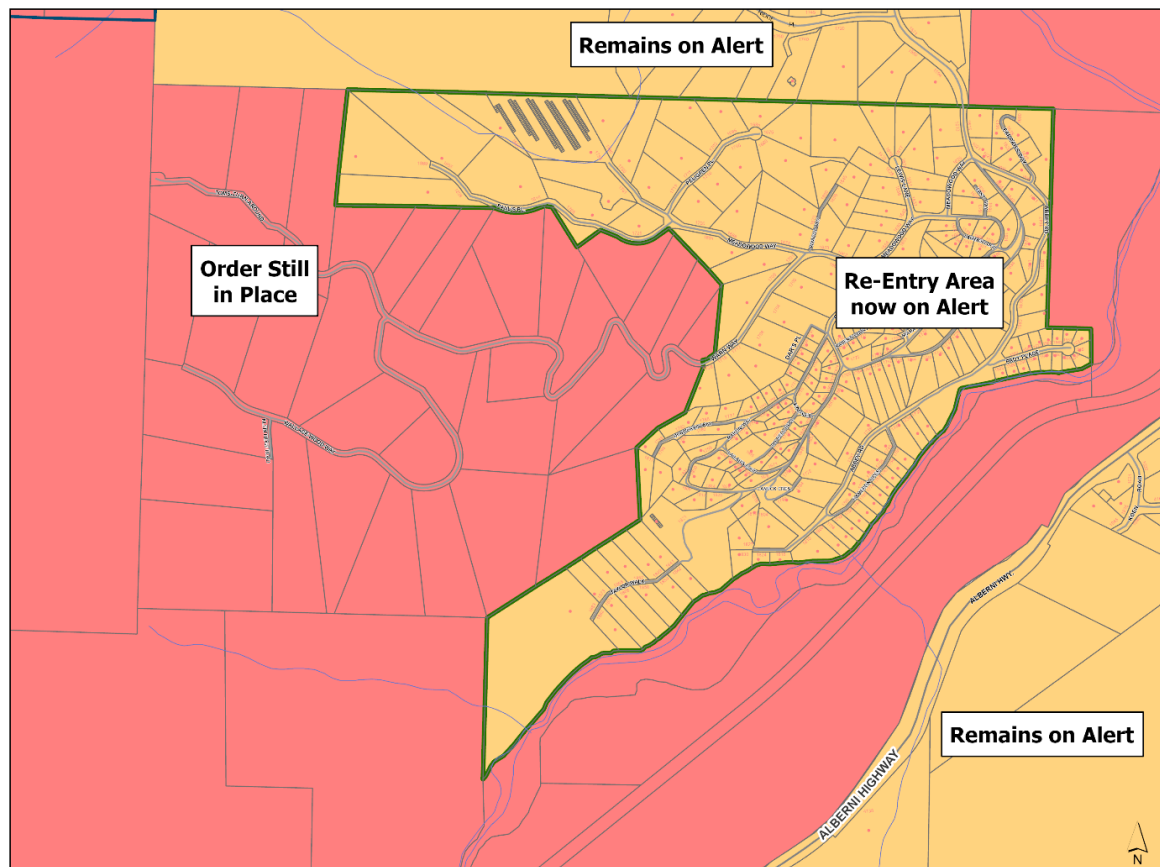

- **Little Qualicum River Village is on a Boil Water Notice.**
  - Returning evacuees are asked to limit water use to essential needs only (drinking, cooking, short showers, etc.) until advised otherwise. For detailed water use information and direction, residents should use the Strata Press Portal to reach council.
- Re-entry information and links to resources are available at [rdn.bc.ca/wesleyridgewildfire](https://rdn.bc.ca/wesleyridgewildfire)
- View the order, alert, Q&A's and more at [rdn.bc.ca/current-alerts](https://rdn.bc.ca/current-alerts) or contact the RDN Emergency Operations Centre at 250-390-6538 from 8 a.m. to 8 p.m. with any questions
- Many residents will be returning home. Traffic control is in place, but traffic congestion is likely. Limit unnecessary vehicle travel in and out of the village.

- Returning home after a wildfire can be overwhelming. The area may look different and wildfire operations are still taking place. A Resilience Centre at the Lighthouse Community Centre, 240 Lions Way, Qualicum Beach, will be open between 2 and 8 p.m. from Tuesday, August 12 to Friday, August 15 (with a possibility of extension if needed), to support residents and evacuees affected by the Wesley Ridge Wildfire. Resources available will include clean up, health/mental health navigation support and FireSmart education. Additional community supports will be brought in as available.
- The Reception Centre location at Qualicum Beach Civic Centre is moving to the same location as the Resilience Centre at Lighthouse Community Centre, 240 Lions Way, Qualicum Beach with the same hours of 2 and 8 p.m.
- Emergency Support Services have been extended for people remaining under evacuation order until Friday, August 15
- Support is also available from the BC Mental Health Support Line at 310-6789.
- Evacuees can reach out BC Hydro at 1 800 BCHYDRO (1 800 224 9376) to determine if there was a loss of power at their home.

**The map below shows the following:**

- **Yellow Area Outlined in Green:** properties that were on evacuation order and can now return home
- **Red Area:** properties that remain on evacuation order

**Please see the appendix for a detailed list of the addresses that are still on order, have been downgraded from order to alert and that remain on alert.**

- The operation of any aircraft not associated with fire suppression activities, including drones and unmanned aerial vehicles (UAVs), near a wildfire is illegal. It also poses a serious threat to the safety of the fire crews

- Pack essential items such as government-issued ID, medications, important documents (e.g., insurance, and mortgage / tenancy information), and immediate care needs for dependents.
- Prepare to evacuate persons, children, and/or neighbours if assistance is needed will be needed to evacuate, call the RDN at **250-390-6538**.
- Fill the gas tanks of personal vehicles that will be used in the evacuation.
