## REGIONAL DISTRICT OF NANAIMO PROPERTY TAXES

**Town of Qualicum Beach**

### Understanding Your Property Tax Notice

The RDN requisition is separated on the Town of Qualicum Beach property tax notice. The Town of Qualicum Beach collects the RDN and NRHD requisition amounts and then transfers that amount to the RDN and NRHD. These rates do not include any levies from the Town of Qualicum Beach. For questions related to these levies, please contact Town of Qualicum Beach at 250-752-6921.

### Regional District of Nanaimo Taxes

#### GENERAL SERVICES

The RDN collects taxes to provide regional services such as recycling and solid waste management, transit, community grants and administrative services.

#### PARCEL TAX

These local government taxes are levied on the unit and are not dependent on the assessed value of a property. Often these relate to costs for specific services, like sewer and water. Parcel taxes are based on the boundaries set out by the service establishment bylaws.

#### NANAIMO REGIONAL HOSPITAL DISTRICT (NRHD) TAXES

These taxes provide capital funding for health care facilities including the Nanaimo Regional General Hospital, Eagle Park Health Care Facility, Trillium Lodge and Oceanside Health Centre.

### Other Jurisdictions' Taxes

#### PROVINCIAL SCHOOL TAX

The municipality collects this tax on behalf of the province for education services and school facilities.

#### BC ASSESSMENT AUTHORITY (BCAA)

BCAA is a Crown corporation that sets all property assessment values in the province. Its costs are recovered by this tax.

#### MUNICIPAL FINANCE AUTHORITY

The Municipal Finance Authority coordinates debt financing for all local governments in BC.

## REGIONAL DISTRICT OF NANAIMO PROPERTY TAX RATES

The rates below are estimates based on the 2025 Completed Roll values, and may vary from the final rates on the property tax notices as a result of revisions to the roll after the submission deadline for property tax inserts set by the Province.

### Town of Qualicum Beach 2025 2024

## NANAIMO REGIONAL HOSPITAL DISTRICT

The Nanaimo Regional Hospital District (NRHD) is an independent entity that provides capital funding for designated healthcare facilities. Island Health pools funding from the Government of BC, NRHD and other sources to maintain, improve and build healthcare facilities on Vancouver Island. The NRHD identified five priority capital projects in 2022. Progress has been made on all projects.

The Government of BC has approved the new high acuity unit (currently under construction) and the Nanaimo Cancer Centre (to begin construction in 2025) at the Nanaimo Regional General Hospital (NRGH). The long-term care facility, to be located in Lantzville, is in the design phase. In the fall of 2024, Premier David Eby committed to building a new patient tower and cardiac catheterization lab at NRGH. The NRHD is prepared to work with the Province to find innovative solutions to move these projects forward, including paying for the business plan as part of its cost sharing commitment.

These projects are needed to provide the region with the critical healthcare facilities and services required to better serve the growing and aging population. A tax levy of approximately \$53.89 per \$100,000 of assessed property value in 2025 is included in the budget for a contribution of \$36.7 million into reserves, an increase of \$8.68 per \$100,000 from the previous year.

The goal is to accumulate reserves to reduce reliance on debt and to prepare the NRHD to meet its partnership funding obligations for large priority projects that are urgently required in the region. This robust financial plan is a clear and resolute indication to the Government of BC that our communities are committed to seeing these projects realized.
