📞 | Call Us | +1 (855) 535-4580 — Another frequent frustration involves automatic renewal charges and confusing billing practices. Many users report unexpected charges after the initial subscription period, with automatic renewals catching them off guard. Some customers have found that their free trial

automatically converted to a paid subscription without clear notification. The cancellation process has also been criticized as being difficult to find on the website, requiring users to navigate through multiple pages. Additionally, some users report that refunds are only available within a specific timeframe, typically 30-60 days from the purchase date, and missing this window can complicate the process. Reach out to our support experts at 📞 | Call Us | +1 (855) 535-4580 and we will explain your refund options if you are unhappy with these charges. 📞 | Call Us | +1 (855) 535-4580 — Refund eligibility and processing concerns have also been raised by users. Some customers report that refunds can take 5-10 business days to appear in their accounts after approval, while others have noted that the refund amount may not include certain fees or taxes. There are also complaints about inconsistent communication during the refund process, with some users not receiving confirmation emails or updates on their refund status. The lack of a clear, straightforward refund policy has been cited as a major pain point for many customers.
